

Thank you for purchasing this Croydex product. Please follow the care instructions to ensure your bin retains its high quality finish. **Please retain this leaflet for future reference.**

This instruction leaflet applies to the following product:

WA687276 – Kingston Bin

Product Care

To retain the best quality finish, clean product regularly with a soft cloth and mild detergents. Do not use abrasive or chemical cleaners as these will damage the product.

This product is supplied with a removable plastic liner which should be regularly cleaned with hot soapy water. It is advisable to use an additional liner bag if damp or wet objects are to be placed inside the bin.

Do not place hot objects in the bin.

This product is made from solid timber and it is natural for small splits and variations in the grain to occur.
