

#### No Frost forever

7000 No Frost prevents ice from building up the freezer. Performance is never compromised and your food is preserved better than ever.

#### Product Benefits & Features

#### Keep your freezer ice free, with No Frost

No Frost means there's no defrosting. It keeps the freezer ice-free, so you can always be sure of maximum performance.

#### New-era innovation. Unique freezer with recycled plastic

A new era of cooling is here. Introducing our freezer with an inner lining made of 70% recycled plastic. Plastic from discarded cold appliances is used to make new refrigerators, helping reduce waste through circularity.

\*Inner liner rHIPS made with up to 70% recycled plastic representing 13% of total fridge plastic\*

#### The Touch Electronic Control on Top offers precise function control

With the responsive and clear display you can precisely set the temperature and effortlessly access the Freezer functions, with the Touch Electronic Control on Top.

#### 2 Year Manufacturer's Warranty

Peace of mind included with a 2 year manufacturer's warranty.

#### Soft-closing door for smooth and quiet closing every time

Accurately crafted soft-closing door hinges help to prevent accidentally open freezer doors that can lead to wasted energy and spoiled food by ensuring a snug, secure and quiet experience when closing the door.

- Electronic temperature control with multifunctional LC display and TouchControl operation
- NoFrost freezer with automatic defrosting
- Door-open warning: visual and acoustic
- high temperature alarm: visual
- Visible and acoustic high temperature alarm
- Flexi-Space: removable glass shelves in the freezer
- Frostmatic function for rapid freezing
- On/off switch with children security
- Freezer drawers: 5 Full Width, Transparent Plastic
- Freezer flaps: 2, Transparent Plastic
