

Save space without compromising results

Experience more space in your kitchen when you can fit a fridge or freezer neatly under your hob with the 6000 SpaceSmart Combo.

Product Benefits & Features

SpaceSmart Combo keeps food fresh and fits under your hob

The SpaceSmart Combo creates more space in your kitchen as world's first fridge or freezer to fit under your hob.

Store plenty at once. With OptiSpace

This innovative Freezer with OptiSpace offers lots of storage options, and abundant room between shelves. The freezer boxes can all be easily detached and reattached, for effortless and convenient storage.

Manage functions and temperature with Electronic Control

Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Upright Freezer also gives you instant feedback of your adjustments on the digital control panel.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

- Frostmatic: Electronic controls quickly freeze food to the pre set temperature, preserving the flavour, nutritional value and appearance of the food.
- Open door alert: Audible & visual.
- Fixed door on door fittings: A cupboard door, matching your kitchen units, can be mounted directly onto the appliance door.
- Fast freeze: When putting fresh food in the freezer, this function rapidly freezes items to help preserve their flavour, nutritional value, and colour.
- High temperature alert: Audible.
- Open door alert: Audible & visual.
- Designed and manufactured in Europe by AEG.
