

Affine Bayeux Slim Soft Close Square Luxury Toilet Seat

Slim square toilet seat with soft-close, quick-release top-fix hinges

Give your toilet a neat, contemporary finish with the Affine Bayeux Slim Soft Close Square Toilet Seat. The slim square profile is designed for a modern look, while the soft-close mechanism, quick-release hinges and top-fix installation make everyday use, fitting and cleaning more convenient.

Key features

- **Soft-close mechanism** - gently lowers the seat and lid to help prevent sudden slamming.
- **Quick-release hinges** - allow the seat to be removed more easily for thorough cleaning.
- **Top-fix installation** - fittings are accessed from above, helping to make installation and removal more straightforward.
- **Slim square design** - gives compatible toilets a clean, contemporary appearance.
- **Urea-formaldehyde construction** - a strong, durable material designed to resist scratches and everyday discolouration.
- **Adjustable fixing centres** - designed to accommodate a range of compatible toilet pan fixing positions.
- **Practical everyday design** - combines comfort with features that make routine bathroom cleaning simpler.
- **2-year guarantee** - for added reassurance.

Family seat	No
Warranty	2 years

Good to know

Check the toilet pan shape, overall seat dimensions and fixing-centre measurements before purchase to ensure compatibility. The quick-release top-fix design makes the seat easier to remove and refit when cleaning around the hinge area.

Product information is based on specifications published on [Plumbworld.co.uk](https://www.plumbworld.co.uk). Please check toilet pan dimensions and fixing compatibility before installation.
