

Affine Square Edge Recessed Basin - 400mm

Compact rectangular ceramic basin for compatible 400mm wall hung vanity units

Make the most of a smaller bathroom or cloakroom with this compact Affine recessed basin. Its neat square-edge profile and 400mm width provide a practical hand-washing area without taking up unnecessary space, while the single tap hole keeps the overall look simple and uncluttered.

Key features

- **Compact 400mm design** - well suited to cloakrooms, en-suites and smaller bathroom layouts.
- **Recessed basin** - designed to sit neatly with compatible bathroom furniture for a coordinated finish.
- **Compatible with Artis 400mm wall hung vanity units** - ideal when creating a compact basin and storage combination.
- **Single tap hole** - suitable for a compatible mono basin mixer tap.
- **Built-in overflow** - requires a compatible slotted basin waste.
- **Ceramic construction** - provides a durable, smooth and easy-to-clean basin surface.
- **Rectangular square-edge shape** - gives the basin a clean, modern appearance.
- **10-year guarantee** - for added reassurance.
