

Ceramica Arles Close Coupled Toilet & Centro Vanity Unit with Basin - 600mm

Modern white bathroom suite with space-saving toilet and floor-standing vanity unit

Bring practical storage and a coordinated modern look to your bathroom with this Ceramica Arles toilet and Centro vanity unit suite. The compact close-coupled toilet is paired with a 600mm gloss white vanity unit and ceramic basin, making the set particularly useful where you want to make good use of the available floor space without compromising on everyday functionality.

Key features

- **Complete toilet and basin suite** - includes a close-coupled toilet, soft-close seat, dual-flush cistern, 600mm vanity unit and ceramic basin.
- **Space-saving design** - a practical option for bathrooms, cloakrooms and en-suites where floor space matters.
- **4/6 litre dual flush** - choose the appropriate flush volume to help reduce unnecessary water use.
- **Soft-close toilet seat and vanity doors** - designed to close gently and reduce slamming.
- **Useful bathroom storage** - the vanity unit has two doors and two internal shelves for toiletries and bathroom essentials.
- **Single tap hole ceramic basin** - ready to pair with a compatible mono basin mixer tap.
- **Gloss white finish** - a clean, versatile look suited to modern bathrooms.
- **10-year guarantee** - for added reassurance.
