

# Eastlake Mortlake Grey Freestanding Bath - 1500 x 740mm

Traditional double-ended back-to-wall bath with brushed brass claw feet

Create a traditional centrepiece without needing a fully freestanding installation. The Eastlake Mortlake combines a double-ended bathing area with a practical back-to-wall design, a versatile grey finish and four brushed brass claw feet. Double-skinned acrylic construction keeps the bath strong, easy to maintain and comfortable for everyday use.

## Key features

- **Freestanding back-to-wall design** - gives you the character of a freestanding bath while allowing one long edge to sit neatly against the wall.
- **Double-ended shape** - both ends are gently sloped, with the waste positioned centrally for comfortable bathing at either end.
- **Traditional styling** - classic proportions and claw feet create a distinctive period-inspired look.
- **Brushed brass claw feet** - four statement feet complement brass taps and bathroom accessories.
- **4mm double-skinned acrylic** - durable, lightweight and easy to clean, with good heat-retaining properties.
- **154-litre capacity** - provides a generous bathing space within a compact 1500mm length.
- **Universal handing** - suitable for flexible bathroom layouts.
- **10-year guarantee** - for added reassurance.

## Technical specifications

## What's included

- 1 x Eastlake Mortlake Freestanding Bath
- 4 x Brushed brass claw feet

**Please note:** tap and bath waste are not included.

## Good to know

The centrally positioned waste suits the double-ended layout and keeps fittings away from either bathing end. No bath panel or bath screen is supplied. Check your chosen tap, waste and installation arrangement for compatibility before fitting.

Product information is based on specifications published on [Plumbworld.co.uk](https://www.plumbworld.co.uk). Please check dimensions and installation requirements before fitting.
