

Efficient heat for everyday cooking

A Speed Burner gas hob uses up to 20% less energy* vs EU min. standard by directing heat efficiently to your cookware. With easy flame control, your wok or pasta gets the right amount of heat for great everyday results. Just what you need, nothing more.

*Based on internal testing on HKB64420NB with G20 20 mbar as test gas vs. minimum requirement of 52% as per EN 30-2-1:2024.

The Speed Burner in this gas hob from Electrolux is designed to reach the bottom of pots and pans quickly. Delivering a faster, more powerful flame while saving up to 20% on energy.

Product Benefits & Features

Powerful heating for fuller flavour

The multi-crown burner in our 4k Wok Burner is designed to provide a more powerful flame. Giving you an extra boost of heat to cook authentic Asian flavours.

Cast iron for stable pan support

Give your kitchen that professional look with the cast-iron pan supports. They're very durable, look stylish, and offer stable, reliable support for multiple heavy pans when you're cooking in large quantities.

Sleek and stylish cooking

Our sleek and stylish hob looks at home in any kitchen. Its modern lines are designed to complement your home's style, so you can add that extra touch of class without the need to remodel. And, of course, it takes your everyday cooking to the next level, too.

Finely-tuned flame

Take control of your hob with our responsive gas taps. They enable you to easily adjust the level of the flame so that you can always cook over the right heat.

Gas Safety first

Our Gas Safety feature keeps you safe in the kitchen. It automatically switches off the gas if the flame on your hob accidentally goes out.

- Safety first with thermocouples, if the flame fails gas is cut off automatically.
- Cast Iron Pan Supports

Product Specification

Main Colour	Stainless Steel
Plug or Hardwired	Uk Moulded Plug
Dimensions (mm) (WxD)	595x510
Built-in Dimensions (mm) (HxWxD)	40x560x480
Recommended fuse (A)	3
Cord Length (m)	1.1
LED Colour	N/A
Left Front - Power/Diameter	4000W/128mm
Right Front - Power/Diameter	1000W/54mm
Left Rear - Power/Diameter	1900W/70mm
Right Rear - Power/Diameter	1900W/70mm
Control Type	Knobs
Gas Supply: Natural Gas	G20 (2H) 20 mbar
LPG Conversion Kit Included	G30/G31 (3+) 28-30/37 mbar; With Additional Injectors
Product Number (PNC)	All Open
Pan Support Type	2, Cast Iron
Number of cooking zones	4
Max Power Gas (W)	8700
Hob Energy type	Gas hob
Frame Type	No
Hob Safety	Thermocouple
Net weight (kg)	9.3
Gross weight (kg)	10
Wok burner	No
