Bianca Outdoor Polycarbonate Wall Lantern with PIR Sensor, Black

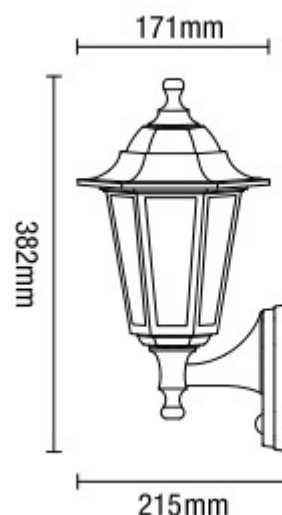

CZ-25150-BLK

The Bianca Outdoor Polycarbonate Wall Lantern with PIR Sensor is a practical and stylish choice for your home's exterior. The integrated PIR sensor activates the light whenever motion is detected, making it perfect for illuminating dark spaces or highlighting unexpected activity. Featuring a black finish and traditional design, this wall lantern creates a cozy, welcoming atmosphere. Built to withstand various weather conditions, it has an IP44 rating and is made from polycarbonate, making it ideal for coastal locations due to its salt corrosion resistance.
