Ingram LED dimmable Fan Light with Remote Control - Satin Nickel

39002638

The Ingram LED Dimmable Fan Ceiling Light brings a bold, architectural presence to contemporary interiors. Designed with a striking inner and outer LED ring configuration, this Satin Nickel fixture delivers sophisticated, layered illumination alongside high-performance air circulation. Take complete control of your environment with the included remote. Effortlessly switch between warm, neutral, and cool white light, adjust through three brightness levels, and select from six distinct fan speeds. Equipped with a reversible motor for multi-season use, a natural wind mode, and an automatic 2 or 4-hour timer, the Ingram provides a highly versatile climate and lighting solution for modern living spaces.
