

Fresh air for your kitchen

The 6000 ExtractionTech Hood contains a powerful, efficient motor allowing you to clear your kitchen environment of fumes and cooking odours without waiting.

Sitting flush to the kitchen unit over the hob, this discreet hood draws away kitchen odours while remaining invisible at all times.

Product Benefits & Features

Clean air. Faster.

This Cooker hood clears the kitchen from cooking fumes quickly. That is because the advanced cooker hood has an efficient and powerful motor.

- Electronic variable 4 speed push button control
- Recirculation or ducted* (part/parts sold separately)
- For installation into an island chimney or corner unit
- Recirculation or extraction options
- Variable 4 speed control
- Extraction mode

LEDlights for more refined cooking

Our LEDlights use far less energy than other lights, with a much longer life expectancy. And they provide expert illumination for greater detail while cooking.

The Grease Filter. Design and discretion combined

The efficient Grease Filter functions at a high level while being discreetly hidden behind a sleek, stainless steel cover. Both the filter and cover are fully washable, which helps to maintain their performance.

One Touch. Complete Control

The full range of hood functions are consolidated into a single electronic control. Meaning settings can be monitored and adjusted with just one touch. Precisely and intuitively.

Product Specification

PNC	942 022 067
EAN number	7332543616022
Voltage (V)	220-240
Width (mm)	700
Height (mm)	245
Depth (mm)	285
Net Weight	8.1
Colour	Stainless Steel
