

Customised drying, even for wool, silk and outdoor garments

The 8000 AbsoluteCare® Tumble Dryer uses heat pump technology. It also precisely controls the movement and temperature of the drying drum, ensuring wool won't shrink and silk doesn't lose its shape. AbsoluteCare® restores water protection for outdoor garments and is Woolmark certified.

Product Benefits & Features

ABSOLUTE CARE®. NO SHRINKAGE GUARANTEED*

AbsoluteCare® uses heat pump technology, along with precise drum movements and temperatures to safely dry your clothing, even your delicate items. Ensuring wool won't shrink and silk doesn't lose shape. It restores water protection for outdoor clothes and is Woolmark certified.

*Comparable with flat drying.

MIX DRY. NO SORTING. NO EFFORT. DRY COTTONS WITH SYNTHETICS

MixDry effortlessly and thoroughly gets synthetic and cotton garments evenly dried without overdrying or underdrying. No sorting needed. The heat-pump technology ensures items get the exact amount of heat, keeping energy consumption low.

*Tested with load of mixed cotton and synthetics up to 5kg.

Precisedry. saves time and energy. protects your clothes

The advanced humidity sensors of ProSense+ help save time and energy. They proportionally adjust the time and energy usage based on the load size. Providing the right care to every load, so clothes look and feel their best for longer.

Sensidry® gets clothes evenly dry, even at low temperatures

SensiDry® uses precise sensors to ensure clothes get evenly dry at low temperatures, without taking more time. Exposing items to only the necessary amount of heat, for gentle drying that helps clothes last longer.

The convenient to clean and energy efficient, ecoflow filter

The EasyClean Filter is an efficient single filter that can be conveniently cleaned. It helps save energy by maintaining stable energy consumption for the lifetime of the product.

- Programmes include:
- Dryness selection
- Automatic adjustable foot
- Low energy consumption at only 0 kWh/wash
- Time controlled drying
- Stainless steel drum
- Heat Pump
- Reverse tumble action
- Optional stacking kit available
- Delay Start
- Freshen-up programme
- Easy iron programme
- Fewer loads and less hassle, saving upto 50% in energy used.
- Interior light
- Sensor dryer
- Silent system
- Dryness selection

Product Specification

PNC	916 099 248
EAN number	7332543839339
Drying Capacity (kg)	8.0
Height (mm)	850
Width (mm)	596
Depth (mm)	638
Voltage (V)	230-240
Net Weight	48
Frequency (Hz)	50
Colour	White
Max Depth (mm)	663
