Meet the everyday quality preserver

Clothes that are exposed to too much heat and motion simply will not last. Our ProSense® Technology tumble dryers fine-tune cycles to ensure that they take the minimum time necessary with no over-drying. So your everyday pieces are dried efficiently, monitored

Saving you time and energy every day

Our dryers feature ProSense technology, which uses advanced humidity and temperature sensors to adjust the drying time and energy consumption for every size of load - whether it's a day's or a week's worth of washing. This saves time and energy, while gently

Built-in protection for your clothes

All AEG dryers have our ProTex gentle drum, specially designed to take care of your clothes. With this patterned drum, your clothes benefit from the most efficient airflow and have room to stretch out for less tangling and creasing.
