

EHF6241FOK Built-in Hob

Compact and clear controls for more space for cooking

These touch controls with acoustic feedback are as compact as possible without sacrificing readability, giving you more space to get creative when you're cooking.

Direct access to all your controls - thanks to the on-hob panel

This hob's controls are designed so that you can always access them straight away. Just reach over and make your adjustments.

Always know exactly which zone is still hot

With this hob, you always know exactly which zones are still hot, thanks to the residual heat indicators, which cleverly reveal where the heat is.
