

## EHF6140ISK Built-in Hob

### A natural movement, all the way from low heat to high

Along the side of this hob are the rotary control knobs. They're designed to be easy to twist and turn when you change the power levels of your hob.

### Always know exactly which zone is still hot

With this hob, you always know exactly which zones are still hot, thanks to the residual heat indicators, which cleverly reveal where the heat is.

### The wipe-down surface

The ceramic glass surface of this hob is so easy to clean. A simple wipe, and you are done.

### More Benefits :

- Independent hob - install it anywhere you want to
- Robust supports to provide higher heat resistance and durability

### Features :

- Residual heat indicators
- Side rotary controls
