

KGS6404W Built-in Hob

Quicker fitting, more control

Better cooking is now even closer thanks to our snap-in system. Your new hob drops into place without the need for brackets or screws. It's easier, it's cleaner, and it's ready in no time.

Sleek and stylish cooking

Our sleek and stylish hob looks at home in any kitchen. Its modern lines are designed to complement your home's style, so you can add that extra touch of class without the need to remodel. And, of course, it takes your everyday cooking to the next level, too.

Single-handed, press-and-turn ignition control on all zones

Get this outstanding gas hob started the quick and easy way. Simply activate the burner you need by gently turning and pressing the knob to ignite the flame.

More Benefits :

- Rapid burner for faster, hotter cooking with larger pans
- Effortlessly adjust the level of the flame in your hob with our responsive gas taps.
