

KGS6424X Built-in Hob

An efficient way to ignite your creativity

The Speed Burner in this gas hob from Electrolux is designed to reach the bottom of pots and pans quickly. Delivering a faster, more powerful flame while saving up to 20% on energy.

Maximises safety as you're cooking

The extended design of the pan supports on this appliance provide even better stability for pots and pans of all sizes when you place them on the hob

Sleek and stylish cooking

Our sleek and stylish hob looks at home in any kitchen. Its modern lines are designed to complement your home's style, so you can add that extra touch of class without the need to remodel. And, of course, it takes your everyday cooking to the next level, too.

More Benefits :

- Effortlessly adjust the level of the flame in your hob with our responsive gas taps.
