

LFI519X Cooker Hood

A spotlight on your food / For total cooking visibility

Never miss a thing with the 600 LEDSpot Hood. Thanks to the integrated lighting, you can clearly see how your food is cooking on the hob. And it has been specially designed to be energy-efficient and long-lasting.

A wider view on cooking

This extra wide island cooker hood covers the entire hob surface, even if you have an extra wide model.

Cleaner air all round

This advanced cooker hood features a powerful motor that whisks away cooking fumes quickly. So you can enjoy a cleaner atmosphere for cooking, eating and relaxing.

More Benefits :

- LED lights, great for seeing what's cooking
