

**Forget towel drying, open the door to dry dishes**

Our 300 AirDry Dishwasher technology finishes each cycle with a breath of fresh air, performing three-times better than closed-door systems. The door opens automatically during the drying phase and air leaves plates and cutlery completely dry.

**Product Benefits & Features****Three-times better drying with AirDry**

The new AirDry technology uses natural airflow to finish drying, for up to three-times better performance compared to closed-door systems. The door opens 10cm towards the end of the cycle, letting air circulate for superb drying results.

**Quick and efficient**

Your new time saver. When you have a light load, our 30-minute quick wash programme offers the perfect solution. And all without compromising on results. For the perfect washing result - fast.

- Built in
