

Quick heating and even cooking

The Series 20 FanCook Oven circulates hot air heat with its fan and ring element. Air is continuously moved around in the oven cavity, to make sure that dishes can be cooked on different level at the same time

Product Benefits & Features

Evenly cooked results, on any level

Get perfectly even oven results with Multilevel cooking. An additional heating ring promises even cooking across all three levels. Which is great for cooking more favourite dishes at the same time.

- Anti-fingerprint stainless steel
- Fan controlled defrosting
- Fan cooled double glazed door with heat reflective glass
- 'A' energy class
- 2 oven shelves
- LED digital display
- Removable door and glass panes for easy cleaning
- Oven features:
- Bottom heat
- Pizza cooking
- Isofront® double glazed doors
- Top heat
- Clean 'n' clear enamel interior
- Diamond-glazed enamel interior
- Built in Electrical Single oven
- Economy variable grill

Sparkling results, with Aqua Clean

An additional cleaning tool is included inside the oven, called AquaClean. By adding water to the base, a humid environment is created with the oven's heat. So crumbs and splatters are easier to remove with damp cloth.

Convection oven, for Even Cooking

The hot air generated inside the oven during cooking is moved around with a fan, so all your dishes receive the same amount of heat. This lets the oven heat up faster, which means you'll get the same results using 20% lower temperatures, saving time and using less energy.

Time taken care of, with LED display

Set exact cooking times and keep track of all your dishes with the LED display. Juggling a few different dishes at once has never been easier.

Oven light, for a better view

A powerful, well-placed oven light lets you see what's going on inside the oven while your food is cooking. So you can monitor your dish's progress, without having to open the door.

Product Specification

PNC	944 068 077
EAN number	7332543819669
Energy class (top oven)	A
Energy class (bottom oven)	N/A
Height (mm)	590
Width (mm)	594
Depth (mm)	560
Built In Height (mm)	593
Built In Width (mm)	560
Built In Depth (mm)	550
Voltage	230
Colour	Stainless Steel with antifingerprint coating
Net Weight	28.6
