Technical Datasheet

RAK Ceramics | Sensation | Product reference: RAKSEAT019

Product specification

Product	Sensation soft-close toilet seat and cover
Manufacturer	RAK Ceramics
Product reference	RAKSEAT019
Colour	White
Material	Urea-based / duroplastic seat
Closing action	Soft-close
Removal	Quick-release seat
Hinge fitting	Top-fix hinges
Compatible range	RAK Sensation WC pans (check the pan model before ordering)
EAN / GTIN	5056176012007
Warranty	2 years

Dimensions

Independent suppliers give inconsistent overall seat lengths (430 mm and 490 mm). Exact overall dimensions and hinge-centre spacing have therefore not been stated here. Check the seat and WC pan before fitting.

Supplied components

Toilet seat and cover, with fixing kit. Confirm the individual hinge and washer components against the supplied pack.

Care

Clean with a soft cloth and mild, non-abrasive cleaner. Do not force the seat or lid closed; allow the soft-close mechanism to operate normally.

Document status

Newly compiled English technical datasheet, not a RAK Ceramics-issued document. Information sourced from independent product listings and RAK Sensation range catalogue. No Plumbworld or PlumbNation documentation used.
