

COSMO 18/10 STAINLESS STEEL SINK
CSM9601L/

Size: 960 x 500 mm

A seamless finished design with a unique brushed patterned drainer, the Cosmo sink stands out from the crowd. Its generous deep bowls feature a dramatic 10mm radii corner, which are complemented with the addition of a new upgraded waste kit and cover to provide a sleek contemporary finished look when installed.

- Micro-sheen finish
- Handed drainer design
- Low profile edge with seamless finish
- Hygienic rectangular overflow design
- Waste kit and cover included

Technical drawing of the front view of a rectangular device. The drawing includes the following dimensions and labels:

- Overall Dimensions:**
 - Width: 960 (divided into 455 and 460)
 - Height: 500 (divided into 400 and 22.5)
- Internal Dimensions:**
 - Left internal width: 477.5
 - Right internal width: 22.5
 - Top internal height: 110 (divided into 77.5 and 45.5)
 - Bottom internal height: 22.5
 - Distance from left edge to center: 455
 - Distance from center to right edge: 460
 - Distance from top edge to center: 252.5
 - Distance from bottom edge to center: 312.5
- Labels and Features:**
 - Clip Frame:** Points to the outer dashed rectangular boundary.
 - Overflow:** Points to a small circular feature on the right side.
 - R10:** Fillet radius at the bottom-left corner.
 - R12:** Fillet radius at the top-right corner.
 - Ø32:** Diameter of a small circular feature at the top center.
 - Ø90:** Diameter of the central circular feature.
 - Ø114:** Diameter of the central circular feature (indicated by a different dimension line).

AGA Rangemaster continuously seeks improvements in specification, design and production of products and thus, alterations take place periodically. Whilst every effort is made to produce up-to date resources, the information included here is intended as a guide. Always refer to the product's installation instructions when fitting, installation work should be completed a professional tradesman.
