

# Technical Specification Sheet

## DUBLIN II

2.0 undermount ceramic sink

# REGINOX

### Specification

|                                 |                                                    |
|---------------------------------|----------------------------------------------------|
| Material                        | Ceramic                                            |
| Finish                          | Glossy                                             |
| Colours                         | White                                              |
| No. of bowls                    | 2                                                  |
| Fitting Method                  | Undermount                                         |
| Handing Options                 | Not Reversible                                     |
| Cabinet Size (mm)               | 900                                                |
| Overall Length (mm)             | 795                                                |
| Overall Width (mm)              | 490                                                |
| Main Bowl Length (mm)           | 336                                                |
| Main Bowl Width (mm)            | 448                                                |
| Main Bowl Depth (mm)            | 190                                                |
| Second Bowl Length (mm)         | 336                                                |
| Second Bowl Width (mm)          | 448                                                |
| Second Bowl Depth (mm)          | 190                                                |
| Tap Hole Size (mm)              | N/A                                                |
| Tap Hole Instructions           | knock down from the top side with centre pin punch |
| Waste Kit Included (Yes/No)     | Yes                                                |
| Clips & Seals Included (Yes/No) | N/A                                                |
| Waste Size (mm)                 | 90                                                 |
| Waste Kit Code                  |                                                    |
| Clips & Seals Code              | N/A                                                |
| Overflow Location               | In main bowl                                       |
| Cut Out Length (mm)             | N/A                                                |
| Cut Out Width (mm)              | N/A                                                |
| Product Weight (kg)             |                                                    |
| Packed Weight (kg)              |                                                    |
| Packed Dimensions (mm)          | 240x815x545                                        |
| EAN number                      |                                                    |

### Warranty

10 years on manufacturing | 1 years serviceable parts warranty (waste kit, clips & seals)

### Care & Maintenance

Use warm soapy water to clean/maintain sink | Never use any abrasive chemicals/cleaning products on the surface of the sink as this will invalidate the warranty if used.
