

SANIWALL® Pro UP

Product Ref: 6110

With a built-in frame system designed to accommodate all types of wall-hung WC (not supplied), Saniwall Pro Up has a dual flush and an integral macerator pump. In addition to taking the waste from a WC there are two side inlets enabling a wash basin, shower and bidet to drain to the macerator.

Why choose this product?

- Designed with Grohe cistern technology
- Concealed unit ideal for use with built-in bathroom furniture
- Ideal for wall-hung WCs
- Built-in frame system with an elegant glass wall covering
- Integrated dual flush cistern
- Adjustable feet allow variable heights of pan
- Two side inlets
- Flush plate included
- Easier access to both the tank and electrical connections.
- Quiet motor

Vertical/horizontal performance

Saniwall Pro Up has been awarded AFISB (French Association of Bathroom Industries) WELLBEING certification, to recognise its contribution to helping people with reduced mobility.

Mounting centres for WC pan are 180-230mm

Up to 5 years warranty
