SMEDBO | DRY COLLECTION

Dry Tree 1720mm Electric Towel Rail

Brushed Brass | Electric towel rail

Product Overview

The Smedbo Dry Tree electric towel rail features a distinctive vertical, branch-inspired design in a brushed brass finish. Its slim profile provides hanging points for towels while adding a contemporary decorative touch.

Key Features

• 1720mm tall vertical design

• Brushed brass finish

• Branch-style towel hanging points

• Electric operation

• Slim, space-conscious form
