SMEDBO | OUTLINE

Freestanding Double Towel Rail

Product reference: FB614 | **Finish:** Black

English technical datasheet

Product overview

Freestanding towel holder with two horizontal rails at staggered heights. Part of the Smedbo Outline bathroom accessories range. Its freestanding design allows flexible placement without wall fixing.

Technical specifications

Manufacturer	Smedbo
Range	Outline
Manufacturer code	FB614
Product type	Freestanding double towel rail
Finish	Black
Material	Stainless steel
Upper rail height	820 mm
Lower rail height	670 mm
Rail length	400 mm
Depth / base dimension	200 mm
Listed product weight	3,270 g
Manufacturer warranty	10 years

Positioning and care

Place the towel rail on a firm, level floor with adequate clearance around the rails. This is a freestanding accessory, so no wall drilling is required for positioning. Clean using a soft cloth and a mild, non-abrasive cleaner; dry after cleaning.

Documentation notes

Dimensions are the manufacturer’s published A–D measurements for FB614. They are not a substitute for a manufacturer dimension drawing. No separate installation procedure has been verified for this product.
