TECHNICAL DATASHEET

Smedbo Outline Freestanding Toilet Roll Holder and Brush

Polished Stainless Steel | Product reference: FK613

Product overview

A freestanding bathroom accessory combining a toilet roll holder and toilet brush in a single stainless steel unit. The polished stainless steel finish coordinates with Smedbo Outline accessories. No wall drilling is required.

Technical specifications

Manufacturer	Smedbo
Collection	Outline
Product code	FK613
Product type	Freestanding toilet roll holder and toilet brush
Material	Stainless steel
Finish	Polished stainless steel
Overall height	710 mm
Base dimensions	200 × 150 mm
Listed product weight	3,024 g
Installation	Freestanding; no wall fixing required
Manufacturer warranty	10 years

Placement and care

Place the unit on a stable, level floor within comfortable reach of the toilet. Ensure the base is fully supported and does not obstruct access or movement. Clean the polished stainless steel with a soft cloth and mild, non-abrasive cleaner; dry after cleaning. Avoid abrasive pads and harsh chemicals.
