

This elegant compact mirror is rechargeable using a USB cable (not included), and lasts for up to 2 hours when fully charged. Simply touch the mirror to turn on or off.

The mirror comes with its own stand, but also features an adhesive back to stick to surfaces such as ceramic, marble, acrylic, porcelain, enamel, and other mirrors.

It also has 2 x magnification, and built in eye protection with extreme low blue light. Available in natural white which closely simulates natural daylight.
