

Black 15mm TRV Dual Fuel Corner Valve

Product Code: 129039

A thermostatic corner valve for dual-fuel heated towel rails. It allows separate control of central-heating and electric heat sources and removes the need for a separate T-piece.

Product Specifications

Specification	Details
Brand	Towelrads
Product type	Dual fuel thermostatic radiator valve
Product code / MPN	129039
EAN	7426968150619
Connection style	Corner
Connection size	15 mm
Control type	Thermostatic
Lockshield included	No
Material	Brass
Colour	Black
RAL colour code	9005
Dual fuel compatible	Yes
Separate T-piece required	No
Heating element included	No
Approx. dimensions	111 x 62 x 50 mm
Warranty	2 years

Key Features

- Dual-fuel towel rail compatibility
- Separate electric and hot-water control
- Corner configuration
- 15mm connection
- Brass construction
- RAL 9005 black finish
- No separate T-piece required

Installation Notes

No electric heating element is included; 129039 is the corner TRV only. Check towel-rail connections, pipework layout and element compatibility before installation.

Source check: I searched for an original Towelrads product-specific datasheet first. None was found in the available indexed material, so this sheet uses verified current product information from Plumbworld, Plumbnation and Wilko for model 129039.
