

Vitusso Black Bar Furniture Handle - 342mm

Contemporary matte black handle for Vitusso bathroom furniture

Give your bathroom furniture a clean, contemporary finishing touch with this Vitusso bar handle. The long 342mm design is ideal for wider vanity drawers and cabinet doors, providing a comfortable, balanced grip, while its matte black finish works particularly well in modern bathroom schemes.

Key features

- **Contemporary bar design** - a simple, minimalist shape that complements modern bathroom furniture.
- **Matte black finish** - creates a bold contrast and coordinates easily with other black bathroom fittings.
- **Durable metal construction** - designed to withstand regular everyday use in the bathroom.
- **Generous 342mm width** - well suited to wider vanity drawers and cabinet doors.
- **Easy to maintain** - the smooth surface is designed to resist fingerprints and is simple to wipe clean.
- **Fixings included** - supplied with fixing screws for straightforward installation.
- **2-year guarantee** - for added reassurance.
