		mm (inch)	h = 96 (4) w = 86 (3) d = 64 (2.5)

[en] Incorrect connections of this product can cause damage to the unit.
The unit must therefore only be installed by an approved contractor.

[en] Used electrical and electronic appliances

Electrical or electronic devices that are no longer serviceable must be collected separately and sent for environmentally compatible recycling (in accordance with the European Waste Electrical and Electronic Equipment Directive). To dispose of old electrical or electronic devices, you should use the return and collection systems put in place in the country concerned.
