

Smart Radiator Valve

Product Code: 7736701575 | Smart Radiator Thermostat, vertical

A wireless smart radiator thermostat designed for use with the Worcester Bosch EasyControl system, providing individual room temperature control through the EasyControl unit and app.

Product Specifications

Specification	Details
Brand	Worcester Bosch / Bosch
Product type	Smart radiator thermostat / TRV head
Product code / MPN	7736701575
EAN / GTIN	4057749694508
Version / orientation	Vertical
Compatible control	Worcester Bosch EasyControl
Dimensions (H x W x D)	57 x 48 x 103 mm
Valve connection	M30
Power supply	2 x AA batteries
Batteries included	Yes
Radio frequency	868.3 MHz / 869.525 MHz
Ambient temperature	0°C to 50°C
Relative humidity	5% to 80%
Colour	White / grey
Child lock	Yes, via EasyControl
Frost protection	Yes
Open-window detection	Yes
Adapters supplied	Danfoss RAV, RA and RAVL
Warranty	1 year (UK retailer listing)

Key Features

- Individual room temperature control through EasyControl
- Wireless smart operation and app control
- Child-lock and frost-protection functions
- Open-window temperature-drop detection
- Supplied with 2 AA batteries and common Danfoss valve adapters
- Compact 57 x 48 x 103 mm body

Installation Notes

The Smart Radiator Thermostat replaces a compatible radiator valve head and is intended to work as part of the Bosch EasyControl system. The manufacturer documentation lists adapters for Danfoss RAV, RA and RAVL valve bodies. Check the existing valve body and EasyControl compatibility before fitting.

Source check: I searched for genuine documentation before creating this sheet. Bosch/Worcester Bosch documentation was found that specifically identifies 7736701575 as the vertical Smart Radiator Thermostat and gives its dimensions, M30 connection, supplied batteries and adapters. Worcester Bosch also lists 7736701575 in its official connected-product documentation. This sheet consolidates those manufacturer details with current UK retailer product data.
